

### *DIGITEC Business Integration Server (B.I.S.) license fees (December 2017)*

Product	Description	Price per month	Price per year
<b>B.I.S. Standard</b> OnPremises Base package	Base package for 5 named CRM users including 1 year software maintenance. MS Outlook-Plugin (2010, 2013) and Open-Xchange quicklink functionality available.	37,50 €	450,00 €
<b>B.I.S. Standard</b> OnPremises (additional User)	One additional named CRM user including 1 year software maintenance. MS Outlook-Plugin (2010, 2013) and Open-Xchange quicklink functionality available.	7,50 €	90,00 €

Licenses for named CRM users include 1 year of software maintenance (will automatically renewed at the end of each year due to terms of business, if no written notice is given at least 3 months before expiration). The software maintenance includes bug fixes and functional enhancements as well as modifications to ensure operation with the most recent stable revisions of licensed Groupware and CRM installations. A valid maintenance is necessary for the software to function.

Discounts for large installations are available on request.

#### **Government, Non-Profit and Academic Institutes**

Special discounts for Government, Non-Profit and Academic Institutes (Universities, Colleges of Higher Education, Schools and Research Institutes) are available on request.

#### **Reseller, Hoster, SaaS-Provider**

Please contact [sales@digitec.de](mailto:sales@digitec.de) for reseller discounts or special agreements for hosting environments. The Partner Package for reseller and hoster includes premium support and an unlimited site license for internal use within the resellers/hosters own installation.
