Licenses include 1 year software maintenance (will automatically renewed at the end of each year due to terms of business, if no written notice is given at least 1 month before expiration). The software maintenance includes bug fixes and functional enhancements as well as modifications to ensure operation with the most recent stable revisions of licensed Open-Xchange installations. A valid maintenance is necessary for the software to function.

Discounts for large installations are available on request.

#### Government, Non-Profit and Academic Institutes

Special discounts for Government, Non-Profit and Academic Institutes (Universities, Colleges of Higher Education, Schools and Research Institutes) are available on request.

#### Reseller, Host, SaaS-Provider

Please contact [sales@digitec.de](mailto:sales@digitec.de) for reseller discounts or special agreements for hosting environments. The Partner Package for reseller and hoster includes premium support and an unlimited site license for internal use within the resellers/hosters own installation.
